

WELCOME GUIDE

Supporting males mentally and physically

Sam Sutton — Online Coach

Welcome to SS Sustain

Welcome to the team! I can't wait to start this journey with you. Thank you for putting your trust in me and SS Sustain. This guide covers everything you need to know to hit the ground running — keep it handy and refer back whenever you need it.

What You'll Get

- Personalised training plan
- Weekly check-ins & Loom video feedback
- Sleep & stress support
- SMART goal setting & regular reviews
- Nutrition & calorie targets set on 1FIT
- Private WhatsApp community group

Your Apps — Set These Up First

1FIT

Your training hub. Accept your email invite, create a profile, and download the app. Used for: your training programme (tick off workouts), daily & weekly metrics, progress photos, and weekly check-ins. After each check-in you'll receive a Loom video with your updated plan.

Google Sheets

Your personalised nutrition dashboard — roadmap, goal tracker, meal plan or food diary (depending on your preference). Shared with you after onboarding.

Notion

Your client support hub: check-in forms, meal & exercise libraries, webinar recordings, and extra guides. Log in with the email invite I send you.

WhatsApp

Private group for daily support, sharing wins, meal pics, workout videos, and community motivation. Invite sent on onboarding.

Goal Setting — SMART Goals

We'll set short and long-term goals together on our kick-off call and review them at every check-in. Use the SMART framework:

S — Specific	Be clear and precise about what you want to achieve.
M — Measurable	Set a number you can track (e.g. lose 5 kg).
A — Achievable	Ambitious but realistic for your timeline.
R — Relevant	Aligned with your wider lifestyle and priorities.
T — Time-Bound	Give it a deadline to create focus.

Weekly Check-Ins

Check-ins are the backbone of your results. They keep you accountable, let us adapt your plan, and benchmark progress week on week.

Accountability	Progress Tracking	Faster Results	Motivation
----------------	-------------------	----------------	------------

- 1 Agree Check-In Day**
We pick a fixed weekly day — this stays consistent throughout.
- 2 Submit Progress Photos**
Take front, back & side shots first thing in the morning before eating or drinking. Upload to 1FIT.
- 3 Fill In Weekly Metrics**
Complete your weekly summary in 1FIT and send a check-in summary via the Notion form.
- 4 Sam Reviews All Data**
You'll receive a Loom video review and weekly audit sent via 1FIT.
- 5 Act on the Plan of Action**
Review the changes and implement them straight away. The more you action, the faster you progress.

Progress Photos — Requirements

Consistent photos are one of the most powerful tools for tracking your transformation. Follow these rules every single week so comparisons are accurate.

Full body	Head to toe — no cropping
Timing	First thing in the morning, before eating or drinking
Lighting	Daylight or bright, even lighting
Background	Plain and clean — same spot each week if possible
Clothing	Underwear, bikini, boxers, or small shorts
Angles	THREE shots required: front, back, and side
Privacy	Photos are never shared without your explicit permission

Training

Your programme lives on 1FIT — tick off each session once complete. Exercise tutorial videos are provided inside the app. Your plan is built around your goals, training history, any injuries, and available equipment. Enjoy your training first — consistency beats perfection every time.

STRENGTH	HYPERTROPHY	FAT LOSS
Rep range: 1–6 Lift heavy, fast & controlled	Rep range: 3–20 Lift with variety, slow & controlled	Rep range: 3–12 Lift heavy, preserve muscle

The 5 Pillars of Success

Training & Exercise	Stress Management	Sleep & Recovery	Nutrition	Lifestyle
---------------------	-------------------	------------------	-----------	-----------

Nutrition

Your calorie targets, macro targets, and water targets are all set inside 1FIT. Your plan is built around foods you enjoy — whether that's a flexible meal plan, a hybrid planner, or a food diary. We'll also account for eating out and social events.

Calorie deficit = fat loss | Maintenance = weight neutral | Surplus = muscle gain

Key Nutrition Rules

- Aim to eat roughly every 3 hours to keep protein digestion steady.
- Use food scales to hit your targets accurately.
- Prep meals 2–3 days at a time to save time and stay on track.
- Keep water intake high — targets set in your weekly audit.
- Avoid unplanned snacking if you have a meal plan.
- You can still enjoy foods you love — we'll build them in.
- Take pride in your food — digestion starts with the eyes.

Lifestyle, Sleep & Stress

Lifestyle & Balance

Rest days are just as important as training days — use them wisely. Let me know about social events in advance so we can plan around them. Focus on yourself and your goals.

Sleep & Recovery

Sleep is when your body recovers, builds muscle, and resets mentally. We'll set sleep routines and goals together. Rest days are built into your plan. Extra guides and webinars are available on Notion and 1FIT.

Stress Management

Unmanaged stress is one of the biggest barriers to results — it hinders recovery, kills motivation, and reduces performance. We'll factor in your work, relationships, and lifestyle to keep stress at a manageable level. Tips: be organised, prioritise sleep, use your rest days, stay positive, and lean on the group.

WhatsApp Community Group

You'll receive a group invite once onboarded. Use the group for extra support, sharing meal pics and workout videos for feedback, tips, motivation, and community wins. You are never alone on this journey.

Frequently Asked Questions

What do I need to do to check in?

First thing in the morning (before eating or drinking): take front, back & side photos, record your metrics in 1FIT, and fill in the check-in form via Notion.

How quickly can I expect results?

Honestly — it's down to you. Follow the plan, be open, be coachable, and work hard. Results come to those who trust the process.

Can I still eat and drink things I enjoy?

Yes! We'll build your plan around foods you like. If you enjoy a drink at the weekend we'll work it in — just let me know.

Do I have to share my progress photos online?

Never without your permission. Photos stay private unless you choose to share.

How do I stay motivated?

Share your wins in the group, track your progress, reward milestones, and lean on the team. You already have the motivation — that's why you're here.

Where can I find support guides?

Inside 1FIT under your profile > Documents. Full library also available on Notion.

Can I book a call with Sam?

Yes — the Calendly booking link is in the WhatsApp group. Book anytime.

How do I know if my exercise form is right?

1FIT includes tutorial videos for every exercise. You can also share workout clips in the WhatsApp group for feedback, and use the exercise library on Notion.

- Thank you for putting your trust in SS Sustain. Let's get to work.

Terms of Agreement

Please read the following terms carefully before signing up to SS Sustain coaching. By joining, you confirm that you have read, understood, and agreed to these terms.

3-Month Minimum Agreement

All SS Sustain coaching packages require a minimum commitment of 3 months. This minimum term begins on the date your first payment is processed. No refunds or early exits are permitted within this initial 3-month period, as this is the minimum timeframe required to achieve meaningful, sustainable results.

Cancellation Policy — 1 Month's Notice Required

After your initial 3-month minimum term has been completed, you may cancel your coaching at any time by providing a minimum of 1 calendar month's written notice. Notice must be submitted in writing via email to samsuttonpt@gmail.com or via WhatsApp message. Payments will continue to be taken during the notice period. Cancellations are not effective until written notice has been received and confirmed by Sam Sutton.

Payment

Payments are taken on a monthly basis on an agreed date. It is your responsibility to ensure payments are made on time. Failure to pay may result in your programme being paused or terminated.

Programme Adjustments

SS Sustain reserves the right to adjust your programme at any time based on your progress, feedback, and check-in data. All adjustments are made in your best interests.

Your Responsibilities

To get the most from your coaching you agree to: complete your weekly check-ins on time, follow the plan to the best of your ability, communicate openly with your coach, and notify Sam of any injuries, health changes, or personal circumstances that may affect your training.

Confidentiality

All personal data, progress photos, and health information shared with SS Sustain will be kept strictly confidential and will never be shared publicly without your written permission.

By signing below you confirm that you have read and agreed to all terms set out above and understand the 3-month minimum commitment and 1-month cancellation notice requirement.
